GetFly Technologies

Vasantdada Patil Education Complex, Eastern Express Highway Near Everard Nagar,
Chunabhatti, Sion, Mumbai, Maharashtra 400022.

Contact Number: +91 9076 334 606.

Terms & Conditions:

- Before proceeding with the actual development of the `Website, we would provide some Photoshop/Figma layout designs which would be on the mutual understanding of both the parties.
- Once the Design has been finalized, the development process of the Website will start. The designs can't be changed after finalization but minor modification can be done to improve the design as per the client satisfaction.
- Before proceeding with the development, the client needs to give all the relevant data to start the development of the project.
- Once the development has been started, no major changes in the functioning would be entertained or it will be billed additionally to implement those changes.
- If client requests code handover, then a fixed charge of ₹ 6000/- will be taken and the website/admin panel will be hosted on a separate server (charges to be paid separately by client) and handed to the client.
